To Whom It May Concern,

It is my absolute pleasure to recommend Camee Faulk for future employment. Camee Faulk has been an integral part of the Fine Arts Department at Kearns High School and has led her department to many great accomplishments. I have had the pleasure of working with her as the department chair for the last 4 years.

I have thoroughly enjoyed my time working with Camee, and have come to know her as a truly valuable asset to any team. She is honest, dependable, and incredibly hard-working. Beyond that, she has an impressive sense of determination and can rally her students to complete any task. Camee will spend extra time, money, and effort developing her craft so that she is able to provide the best education and skill set to her students. Complacency is not a word in Camee's vocabulary.

At Kearns High School, Camee has displayed commitment, timeliness, expert organizational skills, advertising skills, fundraising abilities and has executed events and created countless professional-level theater productions. Additionally, she has completed all of this while developing valuable community ties and parental connections. Camee has had incredible community attendance at all of her productions, and I know that this is because of her dedication to building community relationships. In her recent musical production "The Little Mermaid", Camee was able to build on these previous established relationships to bring in an aerialist to teach students, install silks, and provide students with ongoing lessons in aerial arts. Additionally, she was able to once again pull on these previously established relationships to gain advertising spots on billboards lining the main freeway in the Salt Lake Valley.

What impresses me most with Camee is her focus on not only the academics of a student, but she is truly concerned with the whole child. She goes above and beyond to make sure her students have a post- high school plan developed and ensures they are achieving specific markers to make those plans happen. I have personally witnessed Camee advocating on behalf of her students so that their needs are met. In doing so, Camee teaches her students self-efficacy and perseverance. In summary, Camee is teaching not only theater but is teaching her students grit.

Without a doubt, I confidently recommend Camee. As a dedicated and knowledgeable employee and an all-around great person, I know that she will be a beneficial addition to any school. Camee will proudly represent your school with the utmost dignity and pride.

Please feel free to contact me at kdanderson1@graniteschools.org should you like to discuss Camee's qualifications and experience further. I'd be happy to expand on my recommendation.

Best wishes,
